

Achmea Dutch Mortgage Fund NHG/Low LTV

The Achmea Dutch Mortgage Fund NHG/Low LTV invests in Dutch residential mortgages, as an investor on the Achmea Mortgages Investor Platform. The Fund invests in mortgages with NHG guarantee and in mortgages with an LTV \leq 80%. Mortgages on the Platform are originated using the Centraal Beheer Leef label. This way, investors in the Fund benefit from the strong brand name and comprehensive ESG policy of Centraal Beheer. The Platform originates mortgages using in-house mortgage application officers, leading to complete control over the origination process.

1 March

2023

Net asset value (NAV)

€20.7 million

Average LTV - excl NHG

63.28%

Average LTV - NHG

89.90%

Average spread in relation to swap

1.14%

Objective

The Achmea Dutch Residential Mortgage Fund aims to generate revenues in the long term by investing in residential mortgages. The Fund aims to achieve a higher return compared to the benchmark, net of fees and after adjustment for the cost of the risks that are run by investing in mortgages.

Strategy

The Fund is active on the Dutch residential mortgage market. The Fund aspires to obtain a portfolio of mortgages with NHG guarantee and mortgages with an LTV \leq 80%.

Why invest?

- **Investment in low-risk, Dutch residential mortgages**
- **Additional spread compared to the euro swap curve**
- **Mortgages are originated using the well-known Centraal Beheer Leef label.**

Governance

Syntrus Achmea Real Estate & Finance is a direct part of Achmea B.V. In 2015, the AFM awarded Syntrus a permit within the framework of the Alternative Investment Fund Managers Directive (AIFMD).

• Meeting of Participants

The participants are united in the Meeting of Participants. The Meeting of Participants is held at least twice a year. The Meeting of Participants approves the proposed portfolio plan as well as the annual report.

• Supervisory Board

In the Meeting of Participants a Supervisory Board has been appointed which oversees the policy pursued by the Fund as well as the general course of business concerning the Fund.

ESG policy

Investing in sustainable mortgages is the best way for investors to achieve a stable financial return in the long run combined with social impact for customers and minimized risks. For this purpose, the fund adheres to the ESG strategy of the Centraal Beheer Leef label. As an investor on the platform, the fund actively contributes to this ESG policy.

Organisation

The Fund is one of the investors on the Achmea Mortgages Investment Platform. Management of the fund is the responsibility of the Investment Management Mortgages team of Syntrus Achmea Real Estate & Finance. The origination of new mortgages, preventive management and special credits recovery takes place within the Operations department. Regular servicing is outsourced to Quion.

Syntrus Achmea Real Estate & Finance

Syntrus Achmea Real Estate & Finance is engaged in the financing, development of and investment in real estate and mortgages on behalf of pension funds and other institutional investors, such as insurers and charitable institutions. We manage a total of €30.2 billion in mortgages for 56 clients. In doing so, we expressly seek interaction between the financial and social added value of real estate and mortgages. We stand for responsible return, sustainability, high-quality real estate and transparency. We invest on behalf of our clients in Dutch mortgages, homes, retail properties, healthcare real estate, offices and international real estate.
